

CANOPY KITS

Rize is pleased to offer a new range of Canopy kits that are available in both feed and non feed versions.

Rize Canopy Kits are supplied with all the parts needed to hang your fixture, from the canopy to the cable and Kwik Grip. These can be supplied with different lengths of cable and different types of Kwik Grips, some of which you will find here. Coiled cable is also available upon request.

Non Feed Kits:

Non feed kits are not supplied with power cables and do not need to be attached to the junction box. The canopy cover will only have one hole in it to attach the cable coupler.

Feed Kits:

Feed kits are normally mounted to the junction box and are supplied with a SJT cord that will come through the canopy. It is also supplied with a strain relief bushing and a two piece cable coupler.
